TEESNAP

I am pleased to announce that Gold Hills has made the jump to a new state of the art point of sale system. The system is called Teesnap. The company is owned by Allegiant Airlines and is very sophisticated as it will help us tract our business as well as our membership in great detail. Teesnap has also generated a new website for Gold Hills. I will start posting monthly newsletters, blogs which will directly feed our Facebook and twitter account, schedule of events and much more. You are also encouraged to use the online booking feature to book your upcoming tee times. Need gift cards? The website has a new "online store" for your one stop shopping. I encourage everyone to check out our new site www.goldhillsgolf.com. Your feedback is welcomed!

Dues

As most of you are aware, dues are due by the first of each month, late by the 10th. I want to thank each and everyone of you that are prompt with your payment. For those that fall behind, I ask you PLEASE be cognizant of the due date. Moving forward, if we see a pattern with tardy payments we will ask for a voided check to start an automatic withdrawal for your dues portion. Gold Hills was voted "Best Golf Course in the North State". Along with keeping our course in top condition and stocking our shop with quality merchandise comes an expense. Your dues play a major roll in allowing us to do so. Thank You for choosing to be part of our family and your continued support!

Wishing everyone a Happy New Year!!
